Medical Personnel Policies

- ➤ Medical personnel are here to serve you.
- > Medical personnel licenses require them to observe a specific discipline in their actions with those they serve.
- > Medical personnel are required by law to preserve patient confidentiality. That means they are not allowed to discuss treatments of one individual with another without express written consent. Please do not ask them to violate their practice guidelines.
- > The TAC is apprised daily of general candidate conditions and medical recommendations without discussing individual members.
- > Please advise medical personnel of all self medication, etc. in order to assure they are properly informed about your condition before making treatment recommendations for you.
- > Should you choose to self-medicate in addition to any advice received from on site medical personnel, you do so at your own risk. A preferable course of action is to coordinate all your care through medical personnel while participating in this event.

We want you to enjoy a safe and rewarding experience during this event. Thank you for your cooperation!
