Regional Officials shall ensure that members are provided with the opportunity to participate in three age divisions in Team Hyung.

### Junior, Adult, Senior

Each division shall be managed independently and shall not be merged or competed against each other.

In the case of only one team registering in a division, the team shall give their performance and be scored normally, then publically acknowledged as the winner of their division by default and awarded the respective trophy.

Different age division teams may not be competed against each other for any purpose including, but not limited to determining the allocation of regional Team funding.

# 2022 REMINDER: 2019 UPDATE FROM TAC

Dear Regional Examiners,

I hope this letter finds you well.

I trust you are all looking forward to the 2019 National Festival in Portland, Oregon.

The TAC has made some changes to the rules for the composition of Regional Sparring Teams. These changes are intended to make it easier for Regions to create teams and to better align with the divisions for the individual Sparring competition.

## **Sparring Divisions:**

Youth Team: 10-12 years old. 5 members total. Both male and female.

Teen Team: 13-17 years old. 5 members total. Both male and female.

Adult Team: 18 years and above. 5 members total. One female, four males.

We hope that every Region will be represented in each Sparring Division.

The divisions for the Team Hyung competition will remain the same.

## **Hyung Divisions:**

Youth Team: 17 and under 3-4 members

Teen Team: 18-49 years old 3-4 members

Adult Team: 50+ 3-4 members

**Please inform the Studio Owners in your Region about these changes in order to help maximize Regional Team participation at the National Festival.**

You should have received National Festival registration packets for your members from Headquarters.

Please feel free to contact me directly if you have any questions about Regional Teams or the 2019 National Festival.

We look forward to seeing you in Portland!

# Example Regional Team Member Names And Team Funding

Region	EXAMPLE: This was posted As 2008 Regional Team Sponsorship Provided Per Team Member				
.....	Total Regional Funding Budgeted To Support Regional Team Members	Sparring Team	Youth Hyung Team	Adult Hyung Team	Senior Hyung Team
	(A fixed amount of regional funds may sometimes be divided among the total number of members on Regional Teams.)	5 Members	3 to 5 members	3 to 5 members	3 to 5 members
Example	\$ 7,000.00 total Region Team Budget = \$500 per Regional Team member assuming 4 teams consisting of 14 members total are fielded. Region also pays Regional Team entry fee.	\$2,500	\$1,500	\$1,500	\$1,500
<u>Region 1</u>	Past practice has been to pay the nominal airfare rate or equivalent dollar amount if air travel is not necessary. In addition, the region also pays the team entry fee.				
<u>Region 2</u>	\$				
<u>Region 3</u>	\$				
<u>Region 4</u>	All registration fees for each team is paid for by the region.	Team entry fee	Team entry fee	Team entry fee	Team entry fee
<u>Region 5</u>	Registration fee is covered for all teams (\$675) Individual member support \$100 per person -some members are on more than 1 team (\$900) Each member receives a Team Appreciation Momento (\$150 total) (t-shirts or gym bags)	Entry Fee  Individual 5 @ \$100	Entry Fee  Individual 3 @ \$100	Entry Fee  Individual 1 @ \$100	
<u>Region 6</u>	\$ The amount given to the regional team members has been based on what the region could afford. This amount was based on regional member participation in fund-raising events through out the year. I can however tell you that in 2005/2006 the region paid \$300 per member of the team for sponsor support plus the Team Registration fee. I assume that it will be around that same amount in 2007.				
<u>Region 7</u>	\$				
<u>Region 8</u>	\$All registration fees are covered by the Region.	Entry Fee		Entry Fee	
<u>Region 9</u>	\$				
<u>Region 10</u>	In accordance with Region 10 Bylaws, the Region 10 Dan Association determines the level of financial assistance for each team. In the past, we have typically covered the registration fees for all team members and a portion (if not all) of the lodging and airfare.
